# SITUATION SUMMARY

## Cal OES Activation Status

| State Operations Center | Inland Region EOC | Coastal Region EOC | Southern Region EOC |
|-------------------------|-------------------|--------------------|---------------------|
| Level 1                 | Normal Operations | Normal Operations  | Normal Operations   |

### Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

### **Situation Overview**

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>

- **State Executive Order N-33-20**

On 08/28/20, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

- **CDPH Statewide Travel Advisory**

The California Department of Public Health (CDPH) has issued a new Travel Advisory superseding the 11/13/20 guidance. Californians should avoid non-essential travel to any part of California more than 120 miles from one's place of residence, or to other states or countries. Non-essential travelers from other states or countries are strongly discouraged from entering California, and if they do, should adhere to quarantine procedures. All persons arriving in or returning to California from other states or countries should self-quarantine for 10 days after arrival, except as necessary to meet urgent critical healthcare staffing needs or engage in emergency response.

# CALIFORNIA 911 SYSTEM

## California 911 Outages

| Northern California | Central California | Southern California |
|---------------------|--------------------|---------------------|
| No 911 Outages      | No 911 Outages     | No 911 Outages      |

### 9-1-1 Outage/Remote/Community Isolation

#### Community Isolation, Chino and Ontario, San Bernardino County (Final)

**FINAL:** On 04/17/2021 at 1438 hours, Charter Communications has reported a Community Isolation affecting 1,234 VoIP users increased to 2,054 VoIP users. **INITIAL:** On 04/17/21 at 0348 hours, Charter Communications has reported a Community Isolation affecting 1,234 VoIP users in Chino and Ontario, San Bernardino County, CA (zip codes: 91710, 91762).

- Time Outage Started: 04/17/21, 0141 hours
- Time Outage Reported: 04/17/21, 0248 hours
- Time of Resolution/Restoration: 04/17/21, 1430 hours
- Total Outage Time: 12 hours 49 minutes
- Jurisdiction Affected: San Bernardino County
- Reason For Outage: Charter Network Fault
- Wireless Users Impacted: No
- Wireline Users Impacted: No

#### Community Isolation, Thousand Oaks, Ventura County (Final)

**Final:** On 04/17/2021 at 1845 hours, Charter Communications has reported the Community Isolation has been resolved. **INITIAL:** 04/17/2021 at 1443 hours, Charter Communications has reported a Community Isolation affecting 215 VoIP users increased to 4118 VoIP users in Thousand Oaks, Ventura County, CA (zip code: 91362). Reason for outage is due to a Charter Network Fault.

- Time Outage Started: 04/17/2021 0651 hours
- Time Outage Reported: 04/17/2021 1443 hours
- Time of Resolution/Restoration: 04/17/2021 1837 hours
- Total Outage Time: 11 hours 46 minutes
- Jurisdiction Affected: Ventura County
- Reason For Outage: Charter Network Fault
- Wireless Users Impacted: No
- Wireline Users Impacted: No

### Service Interruptions

- None reported.

# WEATHER OF CONCERN

## NORTHERN CALIFORNIA

- Elevated fire weather conditions through Sunday due to gusty winds and low relative humidity.
  - East wind gusting from 10 to 30 mph along the far northern California exposed ridges.

## SOUTHERN CALIFORNIA

- Elevated fire danger through Monday due to winds and low relative humidity.
  - Wind gusts are expected to be 25 to 45 mph offshore Sunday.
  - Shift to gusty onshore winds Monday afternoon.
  - Highs in the 80's to 90's with low humidity.

**Weather Advisories, Watches, and Warnings currently active in California:**

<http://www.wrh.noaa.gov/hazardSummary/?state=ca>

**Active Weather Warnings, Watches and Advisories by County:**

<http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

# **WEATHER KEY POINTS**

**04/18/21 - 04/24/21**

## **Sunday-Monday**

- Elevated fire weather conditions expected across interior portions of northern California Sunday, especially along the higher ridge tops
- Widespread elevated fire weather conditions are likely across southern California Sunday afternoon and early evening due to strong winds of 40-55 mph and very dry conditions
  - Any new fires could quickly spread in these conditions
  - The strongest winds will occur in San Bernardino and Riverside counties as well as the Inland Empire, inland Orange County, the Santa Ana Mountains and foothills, the San Fernando and Santa Clarita Valleys, much of Ventura County, the Los Angeles County Mountains, and the Santa Monica Mountains Recreational Area

## **Tuesday-Saturday**

- A few showers and thunderstorms are possible across northern California Tuesday and Wednesday, especially across the northern and central Sierra and nearby foothills
  - A few storms could produce small hail, with a few lightning strikes also possible
- Somewhat cooler temperatures arriving for many areas into midweek, before warmer conditions return for much of the state into the weekend
- Winds turning onshore Tuesday and Wednesday will bring a reprieve from elevated fire weather conditions across southern California, with some drizzle or very light rain possible at times along and east of the Peninsular Ranges. Any rainfall amounts will be very light.
